SERBIA					
Other Countries (1)	1	1	6	United Kingdom (3), France (1), Spain (1), Switzerland (1)	
TOTAL	19	132	179		

- Only these countries have attracted some ERC grantees and are seen as interesting to other researchers abroad

- These four countries have science excellence shown in a larger number of ERC grants

- All countries suffer with brain drain, 58 ERC grant holders from the region are doing research in the United Kingdom, which is an attractive science destination
